### ABOUT THE QUEENSLAND ART GALLERY FOUNDATION

The Queensland Art Gallery Foundation was established in 1979 by the Queensland Art Gallery Board of Trustees to raise corporate and private funding to support the growth of the Collection and exhibition programs.

The Foundation assists the Gallery in two major areas. One is to provide funds and gifts to enable the expansion of the Collection. The second involves the Foundation supporting the presentation of exhibitions through sponsorships.

Supported by the Queensland Government, which contributes a subsidy on all cash donations and sponsorships, the Foundation brings together the financial support of individuals and the corporate sector throughout Australia and overseas.

The generosity of Foundation donors has enabled our Gallery to become one of Australia's leading art museums. Since its establishment, some 2750 art works have been acquired for the Collection through the Foundation and over \$32 million has been raised.

The next two years will see the Foundation leading a major campaign to attract funds, cultural gifts and bequests to support the development of the Collection. The acquisition of significant works for display at the Queensland Art Gallery and the new Queensland Gallery of Modern Art, will be the focus of the Foundation's efforts during this period.

To support the development of the Collection, the Foundation looks to its membership and the greater community to invest in our vision for a dynamic and accessible art museum that reflects the Gallery's core philosophy of connecting art and people.

### MEMBERSHIP

The Foundation is open to corporate and individual membership in seven categories. Membership may be paid in a lump sum, or over a period of five years in annual instalments. Members choosing to pay by instalments receive recognition at the time of undertaking. Membership to the Foundation is enduring, and upgrades to higher membership categories may be made at any time.

In addition to your donation being fully tax deductible, you will receive a range of exclusive privileges as a member of the Foundation. Throughout the year a program of events and benefits are offered to members of the Foundation to foster an ongoing relationship with the Queensland Art Gallery and its programs. All Foundation members are invited to openings and private viewings of exhibitions, and are formally acknowledged in the Foundation Annual Report.

### OTHER GIVING OPPORTUNITIES

Membership is not attained through cash donations alone. Charitable contributions including gifts of art works or bequests can be made through the Foundation with the donor receiving membership in return. In appreciation of donors' generosity, the Gallery offers appropriate acknowledgment for all contributions. Foundation staff are available to discuss any proposed gift or bequest, and will explain the various options available.

The Cultural Gifts Program, administered by the Department of Communications, Information Technology and the Arts, encourages donations of significant cultural items from private collections to public art galleries, museums and libraries by offering donors tax incentives. New legislation, passed in May 2000, makes this form of giving even more attractive.

Bequests to the Foundation create a legacy for generations to come and help ensure the Gallery's future. While the nature of bequests varies, cash, works of art, or real property are the most common examples. Gifts, donations and bequests can be made to honour persons or organisations. On disclosure of any testamentary bequest of a specified sum of money through the Queensland Art Gallery Foundation, you will receive immediate recognition for a gift equal to half the bequest amount.

For more information about the many giving opportunities available, please contact Julie Walsh, Foundation Manager, on phone (07) 3840 7325 or email ([julie.walsh@qag.qld.gov.au](mailto:julie.walsh@qag.qld.gov.au)).
